

EL SANTIAGO

2 bedrooms + den, 2 bathrooms
sleeps up to eight people
1074 square feet

Luxury meets practicality in El Santiago, quite possibly the vacation cottage you've always dreamed of owning. Whether you're relaxing with your morning coffee or enjoying a glass of locally-produced wine on your private deck, fresh air has never smelled so good! Step into El Santiago and embrace the open spaces, vaulted ceilings and elegant laminate flooring that adorn the dining room and living room. Two bedrooms, a den and two full bathrooms mean there is room for the whole family. The well-appointed gourmet kitchen with tile flooring and new appliances overlooks your private deck and the beautifully landscaped grounds. Cozy up around the fireplace in the living room or take a leisurely stroll through the resort grounds. You may be vacationing, but the quality carpeting in the bedrooms, stylish baseboards and door casings throughout and a stacker washer and dryer mean you are never far from the comforts of home.
